**Campus Compact’s 2014 Annual Member Survey**

Three Decades of Institutionalizing Change - 2014 Annual Member Survey

In 1986 Campus Compact conducted its first membership survey with 67 of Campus Compact’s 102 member institutions responding. This year’s survey reflects the growth in breadth and diversity of institutions prioritizing engaged activities over the past three decades. Campus Compact now has 1,100 member colleges and universities, of which 434 completed the 2014 survey. The state results will be released soon.

**Pen to Paper Writing Retreat**

Michigan Campus Compact, Michigan State University and Indiana Campus Compact are hosting the third Pen to Paper Writing Retreat: Writing With, For and About Service- and Community-Engagement. This event will be held Thursday, October 22, 2015 – Friday, October 23, 2015 at Bay Pointe Inn, Shelbyville, MI on scenic Gun Lake.

Pen to Paper is an academic writing retreat designed to provide time, space, and resources to help faculty, professional staff and graduate students working on (or planning for) journal manuscripts related to service – and community- engagement. The two-day retreat provides participants with time to discuss ideas with journal editors, receive mentoring from senior faculty coaches, share ideas with peers, and write.

New Resources

The CHI Navigator is a website for people who lead or participate in community health improvement (CHI) work within hospitals and health systems, public health agencies, and other community organizations.

MOCC Resource Website: Last year Missouri Campus Compact created a website to house resources, best practices, and materials for community engagement. We will work to update this information regularly. Don’t forget to access it for information to further your campus’s engagement efforts.
